## Express Test Review

The Ohio Graduation Tests are right around the corner. Most schools will begin a week of OGT testing on March 6.

With the help of Liberty High School's Mr. Jim DeToro, we'll be creating special review segments covering information that will be found on the OGT's.

"We understand how important these tests are for students and want to do what we can to help them prepare," Jason Mauro, one of the segment's producers, said.

The Express Test Reviews will begin airing next week, on Feb. 21.

## STUDENT PROFILE

### Asst. Director – Jason Kelly

YSU's Jason Kelly is getting experience in the real world with Homework Express.

Kelly, 22, is a graduate of Cardinal Mooney High School in Youngstown. He's a fourth-year telecommunications major with a history minor.

During the show, you could find him in the control room making calls through the crew's headsets, deciding how to technically put the show together.

"This is a great opportunity to put into practice what I've learned in the classroom," Kelly said.

In addition to having worked at WKBN, he currently works as a news producer for WFMJ, producing the mid-day report and the weekend news segment. He said after graduation that he would like to continue his career in TV news.
