ISSUE #1, NUMBER 4

SEPTEMBER 15, 2005

## HOMEWORK EXPRESS TO PREMIER

Homework Express, Northeast Ohio's new homework help television show, will premier locally on September 20. The show will air on Time-Warner's Channel 9 in Youngstown, on Time-Warner's Channel 16 in Trumbull County, and on Armstrong's Channel 20 in Mahoning County. Homework Express also will air in Struthers and Campbell on Adelphia Cable. Students may call the show with their questions about math/science homework, and teachers will help them live from the YSU studio.

## NEW HOME!

Final touches are going on the new Homework Express studio set. Designed and built by Todd Dicken, YSU's theater production manager, it occupies more than 200 square feet of the TV studio. The Homework Express logo is featured on one side, and the teachers' "smudge board" is on the other – where teachers can help students with math and science questions.

## TEACHER: GIRARD'S JOE RADZA

Joe Radza is an 8th grade science teacher who has taught in the Girard school district for 20 years. He taught science in Warren before that. Joe has a Master of Science degree in Education, and Bachelor of Science in Health Education. He is a life long resident of the area. "We are all scientists," he says when asked why students should study science in school. He tells students that his job is not to give answers, but to provide pathways that lead to answers. To Joe, teaching science is just a fun thing to do.

## TEACHER: GIRARD'S KRISTY FILL

Kristy has taught math at Girard High school for 15 years. She received her bachelors from YSU and her masters from Ashland. She became a math teacher because of an early class she had taken at YSU. She hadn't thought of herself as good at math until she received As in that and later classes. When asked what she was most looking forward to about Homework Express, she said her students might find it interesting to see her on TV. She's always had designs on acting, and Homework Express is a good way to experience something close to the lights of Broadway!

## KELLY STEVENS TO HOST

WHOT-FM's Kelly Stevens will be the Homework Express featured studio host. No stranger to the camera – or to audiences in this market, Kelly is co-host of the "AC & Kelly in the Morning Show" on HOT-101. She is originally from Southington, Ohio and graduated from Youngstown State University with a BA in Telecommunications. Kelly and husband Bob, a K-4 special education teacher, live in Boardman. They are in the process of adopting a baby girl from China.

## PRIZES & INCENTIVES

Producers are searching for people and businesses who can provide prizes and incentives of various kinds for use in the Homework Express show. These should be in the \$10 range, and in a form which can be mailed in a #10 envelope (such as a gift certificate or voucher).
