## Homework Express Successful!

Over 30 Mahoning Valley students have called Homework Express, northeast Ohio's homework help television show, in its first month. Teachers have helped explain such concepts as order of operations, negative integers and word problems to our callers.

Our teachers have suggested the following some Web sites for students to visit when Homework Express isn't on and need some help. These sites are family-friendly, but parental involvement is crucial to learning AND safety!

## Beyond the Studio

Homework Express ventures out from the studio to produce new and exciting field footage, including science experiments performed at local middle schools by their science teachers. We're always looking for new ideas and experiments. We look forward to your feedback and suggestions at [HomeworkExpress@gmail.com](mailto:HomeworkExpress@gmail.com).

### The Parable of the Pebbles

*A man was out walking in the desert when a voice said to him, "Pick up some pebbles and put them in your pocket, and tomorrow you will be both happy and sad." The man obeyed. He stooped picked up a handful of pebbles and put them in his pocket. The next morning he reached into his pocket and found diamonds and rubies and emeralds. And he was both happy and sad. Happy he had taken some - sad that he hadn't taken more.*

*And so it is with education. (Author Unknown)*

## Thank You Prizes

Homework Express producers are searching for people and businesses that can provide incentives for student callers. Items in the \$10 range are ideal. Your company will be mentioned on air - a great marketing opportunity! Please call or e-mail the show if you are interested!

Host Kelly Stevens, Mr. Joe Radza and Mrs. Amy Burd prepare for the show.
