Looking for Students

Homework Express is looking for photos of viewers doing their homework. Photos will be used on our website and a video montage, which will air on the show. You can send photos of your students or children doing their homework to Homework Express producers at homeworkexpress@gmail.com.

Please include the student's name, grade and school, as well as your contact information.

Homework Express Poster

Want to help show your support for a locally-produced television show helping area students? Save this file of the new Homework Express poster to your computer and print a few copies - hang them or distribute to students and friends. Help spread the word about Homework Express! If you'd like any high-quality prints, e-mail HomeworkExpress@gmail.com.

Ohio Graduation Tests

Our teachers on Homework Express frequently mention the OGT's, or the Ohio Graduation Tests. These standardized tests replace the Ohio Ninth Grade Proficiency Test and are aligned to Ohio's new academic content standards, adopted by the State Board of Education. Aspects tested include English and language arts, math, science and social studies through the tenth grade level.

The Class of 2007 is the first class responsible for taking the OGT and passing all five tests as a graduation requirement.

For more information, you can visit the Ohio Department of Education website for the OGT's at: www.ode.state.oh.us/proficiency/OGT/default.asp

Brain Builders!

One of the regular segments on Homework Express is the Brain Builder, where we challenge students with a problem that involves practical application of concepts discussed on the show.

The first caller with the correct answer to every show's Brain Builder wins a prize and is entered into a monthly drawing for a larger prize and a chance to appear on Homework Express.

We're looking for your riddles, games and brain-teasers to use on air. If we use your Brain Builder, host Kelly Stevens will announce your name during the show and we'll include your name in the next LiveLine. Send your best Brain Builders to producers by e-mailing HomeworkExpress@gmail.com.
