

Express Guest visits set of Homework Express

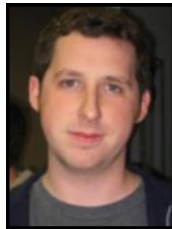

On April 3, Kristen Placer, a senior at Warren G. Harding, joined Kelly on the set of HX as an Express Guest. Kristen plans on attending Ohio State University in the fall with the hopes of attaining a degree in Child Psychology. Kristen, gearing up for her future with kids, participates in team mentoring through the Warren City Schools. Through this program she guides less fortunate 4th grade students in the right direction while help-

ing them prepare for tests and even accompanying them on various outings. Kristen also is quite active in National Honor Society, Key Club, Tennis, and helps run Relay for Life at her school. Even with her busy schedule, Kristen has a remarkable GPA of 3.8. When speaking to her about the experience of appearing on Homework Express, Kristen stated, "Everyone was really nice, I had such a fun time!"

Mike makes many mesmerizing moments on Homework Express

Mike Moliterno has worked with Homework Express for the past year, but he's made quite a name for himself every since he set foot in the studio. Mike is a senior in the telecom-

munications program with the hopes of working in radio after he graduates. Appearing on at least one "Shout Out" per week (many times he's on all week long), Mike has made not only the HX viewers laugh, but also

Kelly and the rest of the crew have been left doubling over giggling at his funny mannerisms. Mike has also worked behind the scenes operating cameras, floor directing, and being the audio engineer. "I enjoy being able to see first hand what goes into producing live television," states Mike about HX. With his anticipated graduation date as December '08, his laughter will carry over for this upcoming semester, as well.

“Homework Express made me get a really, really good grade! Thank you so much!”

~Tyler, Grade 5
